Dolores Dombrowski

Dr. Hickes

Dr. Roy M. Hickes graduated from Glassport High School and received his B.S. degree in education from Indiana State Teachers College. He earned his Masters degree at Penn State and was granted his doctorate at the University of Pittsburgh. He was principal of his alma mater, Glassport High, after serving as science teacher and athletic coach. Dr. Hickes assumed the office of superintendent of Carnegie Public Schools in 1951. Since his arrival at Carnegie, he has been responsible for the addition of many new courses to the curriculum of the school system.

Miss Dombrowski

Miss Dombrowski, better known to all as "Dee", is a pleasant addition to the office of Carnegie High. She graduated from our high school in 1955 and has remained here since then as Dr. Hickes' secretary. Dee is also the vice-president of the Hiltoperettes, a subsidiary of the Hiltopers, which is a local men's and women's gymnastic team.

Dr. Hickes

Barbara Williams

Mr. Logan

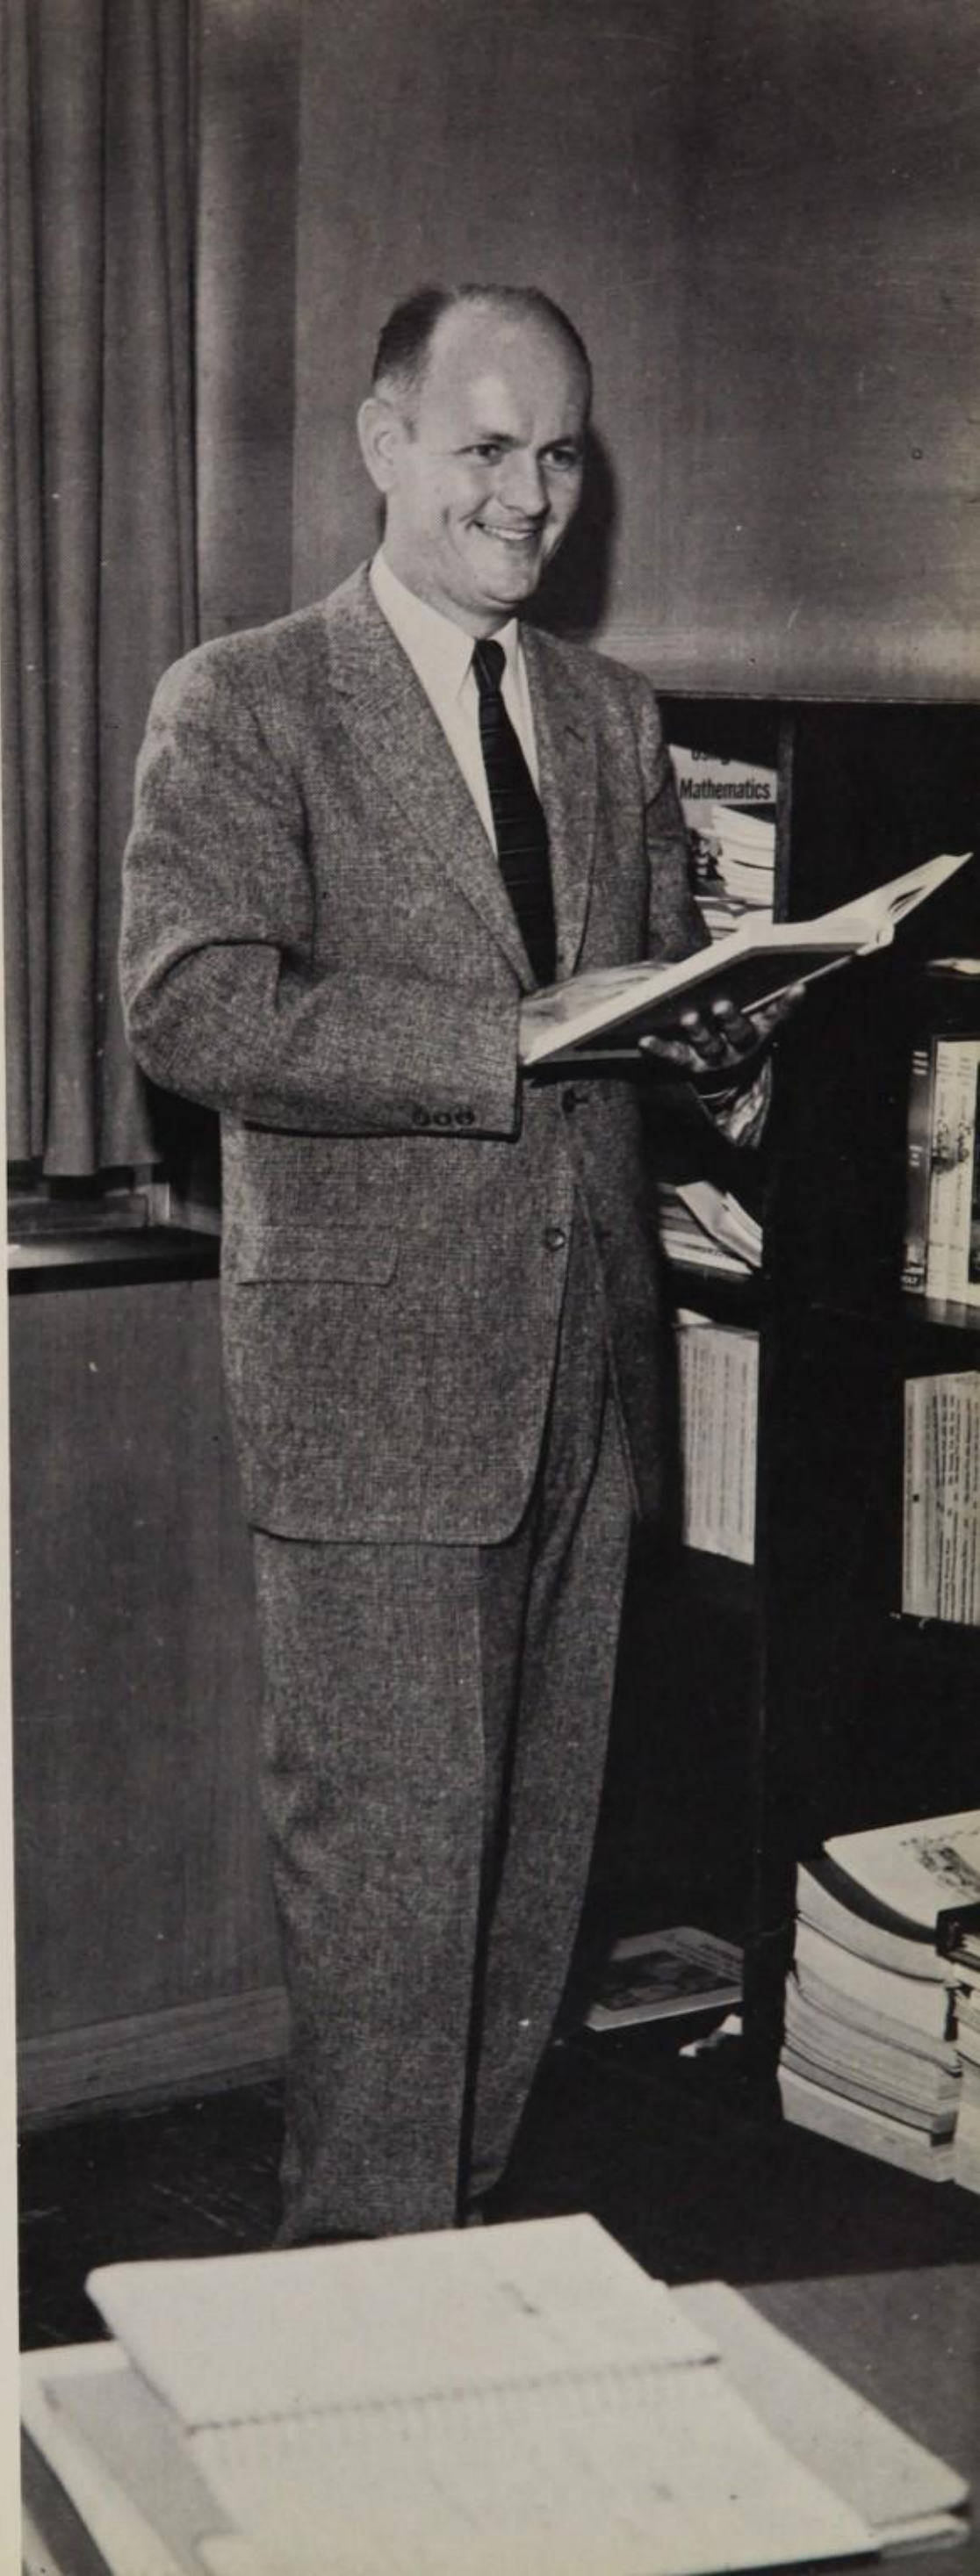

We are glad to have Mr. Logan back at the high school this year. He was appointed the position of principal after Dr. Fleischer's resignation. Although he has been here for a short time, he has won the respect and admiration of the students.

Mr. Logan has received his Bachelor of Arts degree from Clarion State Teachers College and his Master of Education degree from the University of Pittsburgh. He also attended the universities of Colorado and Michigan.

Miss Williams

Barbara Williams has been secretary to the principal since she graduated. Well known by all, her cheerful personality and willingness to give help have won her many friends. She handles most of the office work and is the sponsor of the Golden Rule Tri-Hi-Y.

Mr. Logan

Board of Education

President — Mr. Firth

The Board of Education was organized to better our school system. It is composed of seven members who are elected by the townspeople and who hold very responsible positions. It is their job to see that all school business and activities function properly; they supervise maintenance of school buildings, financial problems, taxation, and all other school matters. They are also responsible for extending every opportunity to each member of the community, and to offer to adults, as well as students, the use of modern facilities within the school building.

The school board meets in the conference room of the high school. These meetings are opened to the public in order to help solve problems of any student or taxpayer.

We are proud of the achievements of our school board and we hope that every class entering our high school will be just as proud.

*Standing: Mr. Jones, Mr. Schnepf, Mr. Walker, Mr. Lesko.
Sitting: Mr. Kahn, Dr. Hickes, Mr. Firth, Mr. Garner, Mr. Coll.*

Athletic Association

The Athletic Association is one of the vital parts of our school system, as it is the foundation of Carnegie High's athletic program. In the group are the various coaches, school administrators, and physical education instructors. It schedules all inter-scholastic sports activities and promotes student competition through the school's sports program. The other responsibilities of this organization include purchasing of new equipment; hiring and paying officials; and, of course, coaching and training the players. These things require a great deal of time and effort on their part.

Dr. Hickes and Mr. Logan are advisors and Mr. Speziale is the faculty manager. Together, they handle all of the financial records.

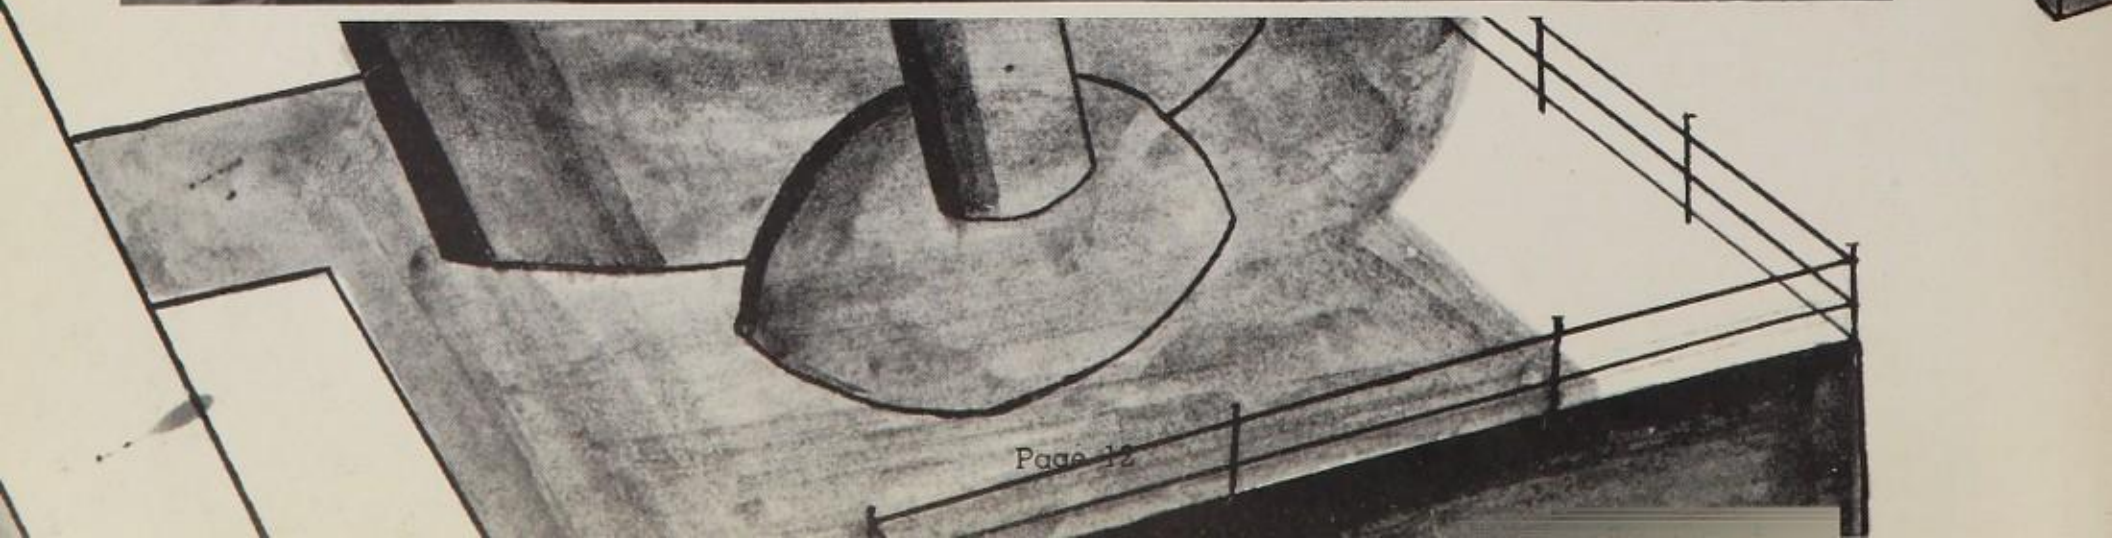

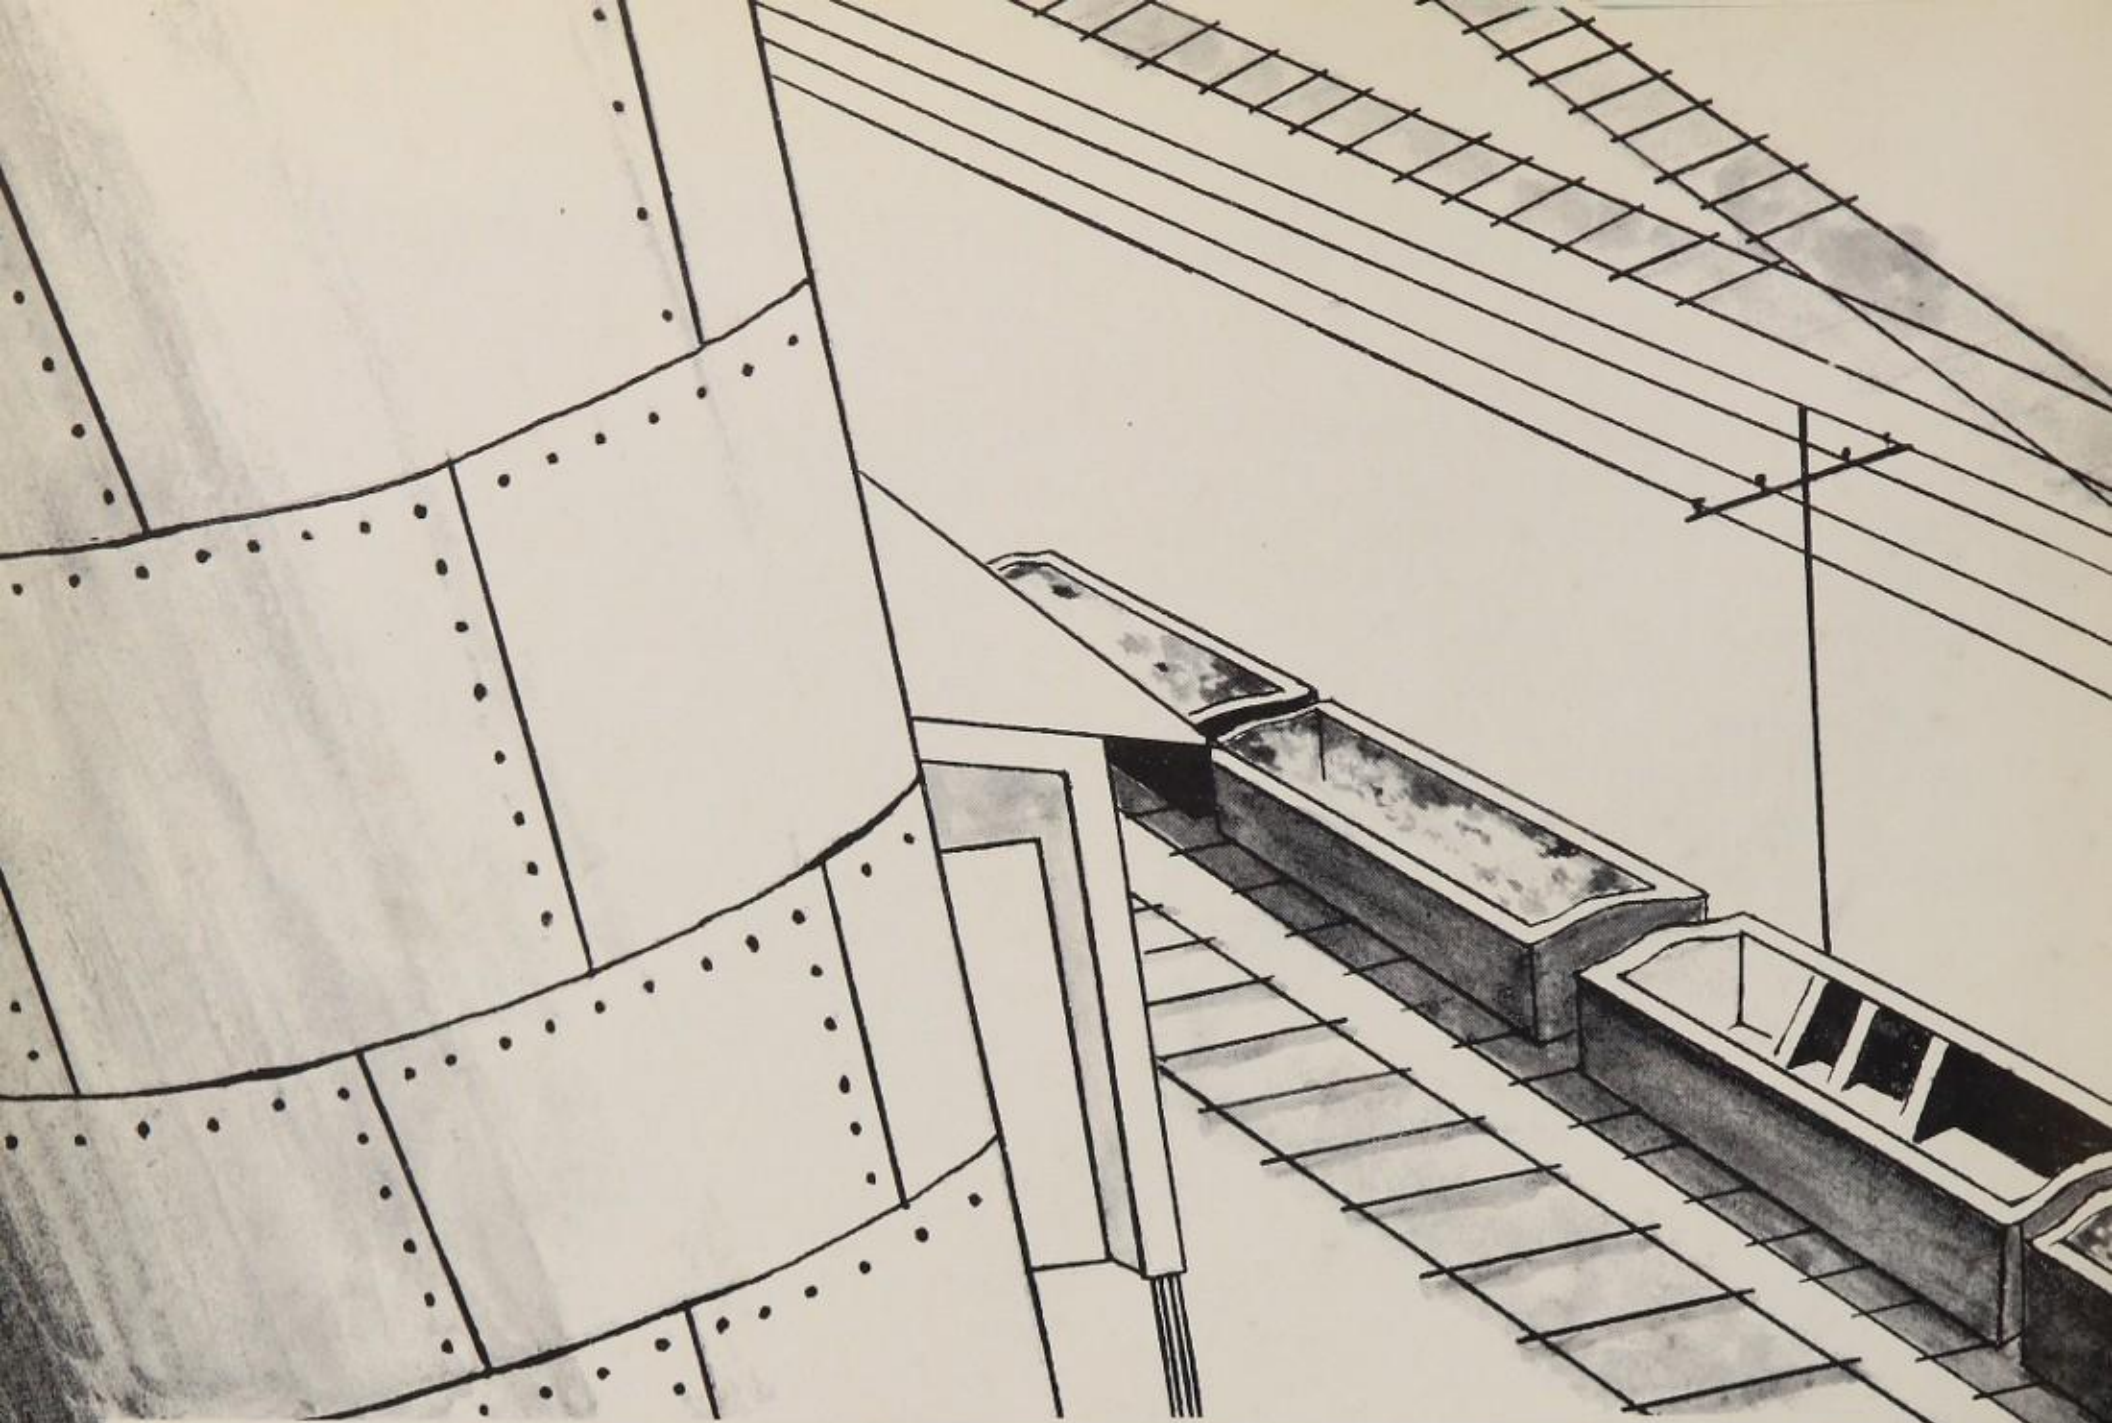

Mr. Zaney is the head coach of the football team and coach of the golf team. He is also the boys' physical education director. Mr. Stockum is the head coach of both the base-

ball and basketball teams. Mr. Marcenelle is an assistant football coach and has also taken over the position of coach of the B-Squad basketball team. Mr. D'Alessandro is an assistant football coach. Mr. Cross is in charge of the Junior High football team. Mr. Swenn coaches the wrestling team. Mr. Bandyk is the coach of the new tennis team. Mr. Hartley coaches the rifle team. Mrs. Ball is the new girls' physical education instructor. She has brought many new additions to the girls' physical education program that we all enjoy very much. She has also promoted a fine intra-mural program for the girls. We wish her continued success in her future years at Carnegie.

The students should be deeply grateful to this group for providing such a well-rounded athletic program. With the help of this fine organization, all of our teams have been able to compile favorable records in all sports.

*First Row: Dr. Hickes, Mr. Logan, Mrs. Ball, Mr. Speziale, Mr. Zaney.

Mr. DiIanni

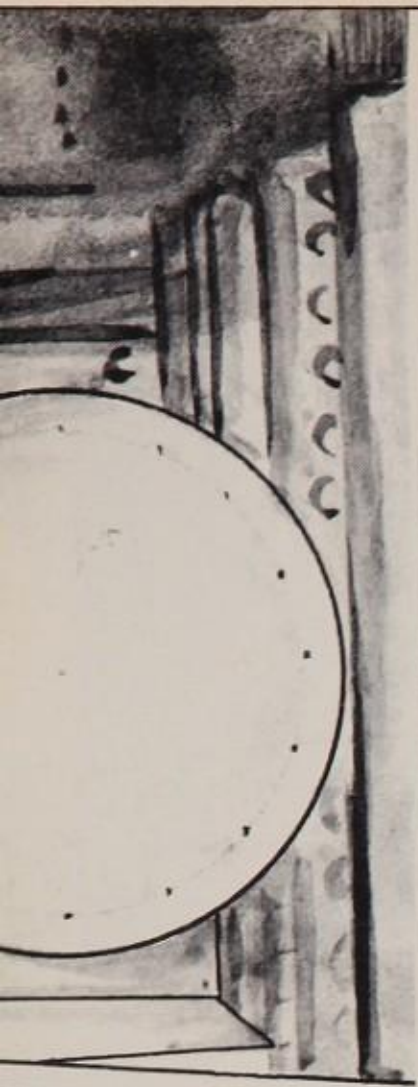

Band

The Carnegie High School band, under the direction of Mr. Aldo DiIanni, has completed another fine year. The band has improved greatly in appearance, marching, and playing. They have done their share in supporting our school. It's hard to imagine what our football games would be like without the band playing the school songs and giving its half-time performances. What would our pep-meetings and parades be without its striking marches?

This year, white hats and cross-belts were added to the band uniforms, and a new dance band was organized. Although new members come and old ones go, "the band plays on" and we are very proud of them.

We are annealed by
an active and well-rounded
SPORTS program.

The Cheerleaders

The 1938-59 cheerleaders are: Seniors — Shirley Black, captain; Judy Allen, co-captain; and Marie Grande. Juniors — Gerrie Isaacs, Sandy Armani, JoAnn Farinella and Pat Caruso.

"All here? Let's cheer!" — is the familiar beginning of the C. H. S. cheers. The cheerleaders can be seen cheering at the football and basketball games, and they have led our teams on to many victories. Although cheering involved a lot of hard work, all of the cheerleaders enjoyed it, and did a fine job.

The rifle team, sponsored by Mr. Hartley, is composed of ten students chosen according to scores obtained during practice sessions. The purpose of the team is to teach members the proper handling of guns as well as good sportsmanship. The team shoots twelve matches a year with six neighboring schools. Each member of the team is required to belong to the National Rifle Association. This organization provides ammunition and targets for the team.

The member with the high accumulative score on the team at the end of the year receives an award. Any member who shoots in three-fourths of the matches receives a letter.

With the coming of spring, Mr. Stockum announces the first baseball practice which brings all the baseball players of C. H. S. back into circulation. For this year's baseball season, five lettermen are returning to the baseball diamond, three of which are seniors. Along with these veterans, there are many fine-looking sophomore, junior, and senior prospects who are hoping to be chosen as members of the team. Coach Stockum is looking forward to a successful season with the team.

The golf team this year is quite fortunate in having five returnees from last year's squad. Roger Sembrat, Paul Litvak, Jack Boyda, Tom Medwig, and Raul Hegeman have gained some much needed experience by participating in all of last year's matches. A newcomer, Francis Linkesh, is also expected to aid the team this season.

The team travels to various courses throughout the district to compete. The home games are played at the Chartiers Valley Country Club. This year, the team will compete in Section VI of the W. P. I. A. L.

Mr. Zaney will coach the team this season, and is looking forward to a very successful year.

This year for the first time, Carnegie High School introduced a new varsity sport — tennis. Although a team has not as yet been organized, the prospective members which are pictured above have had a great deal of experience by participating in local matches. Many of the boys placed among the top in such tournaments as the Western Pennsylvania Junior Championship, the Edgeworth Club Junior Invitational Tournament, and the Richland Township Tournaments. Jim Knarr, Jack Knarr, and Roy Austin were members of the Junior Davis Cup Squad.

The tennis team is sponsored by Mr. Bandyk. New tennis courts will be constructed for the team as soon as possible.

Dedication

We, the class of 1959, dedicate our year-book to you, Miss Cochran, in appreciation for all that you have done for our school. During your 29 years of teaching at Carnegie High, you have done a wonderful job in our commercial department. You have always taught your students the fine points of a commercial education and instilled in them many of the sterling qualities that you possess. Your character sets an excellent example for all.

Not only have you been a wonderful teacher and friend to all the students in the classroom, you have been a loyal supporter of the students by your attendance at all outside activities, whether it be a football game or the Senior Dance. This may have been to you insignificant, but it meant very much to us to

know that a teacher took such an interest in her students and the teaching profession. It made us quite happy to see you sitting on the sidelines.

Through the years, you have been of great assistance to many groups, especially the senior classes which you have sponsored. Last year, for example, you have taken over the sponsorship of the Progressive Tri-Hi-Y and helped it to grow and prosper.

For these things and many others, we thank you, Miss Cochran, and we are glad that someone else has come to love you as much as we have. We wish for you all the joy and happiness that married life can bring. Although you will leave us next year, we will remember you always.

The nights of November 20 and 21 will remain among the happiest ones in the minds of the members in our senior play cast. It was on these nights that they presented their play, "Thunder on Sycamore Street."

The play centered around an ex-convict, Joe Blake, who moved to Sycamore Street. The people on this street did not want Mr. Blake to continue living there. The play tells about the plans of the people of Sycamore Street to persuade Joe Blake to move from his house. In the end, however, the people realize that what they had been planning was wrong; Joe Blake remains in his home and wins the friendship of the people in the neighborhood.

Many hours were spent in practicing, learning lines and rehearsing scenes of the play. For a while, Mr. Clawson, our director, as well as members of the cast, thought we would never make it. However, when the curtain closed after the last act, we were sure that it had been a great success.

With the help of this play, the seniors were able to add about \$240.00 to their treasury and many pleasant hours to their memories.

Our Senior Prom was held on a snowy Friday evening, December 19. The ballroom was gorgeously decorated in the theme of "Silver Bells." The colors progressed from a glimmering silver to a deep rose.

Johnny Carr and his orchestra provided a wonderful selection of rhythmic and romantic arrangements.

At 10:15 the queen of our Senior Prom, Roberta Gessler, was crowned.

At 12:00 we proceeded to Dave Wright's Seafood Inn for a late supper, after which we returned to the ballroom and danced until morning.

The memories of that night will long be remembered by all as a night of high excitement and romantic enchantment.

In Memoriam

Ray Wilczek, who would have started school in September as a member of our senior class, died from injuries suffered in a road mishap near Weirton, West Virginia. Ray, along with two other members of his family, was going to visit with friends when the accident occurred. Crossing a highway to make a telephone call, he was knocked down by the rear wheels of a tractor-trailer truck. He was taken to a hospital in Weirton where he died. Ray was a quiet boy, but he was well known to all the members of our class.

Student Council

Sponsor — Mrs. Drew

Student Council is a group of capable, energetic students who are proud to represent Carnegie Junior High. Its members strive to promote citizenship, scholarship, school spirit, and co-operation between students and faculty. They acquire democratic experience through participation in management of school affairs.

Gerald McNavish and Pat Zawilla represented the school at the Student Council convention in New Kensington.

Many service projects were undertaken this year. These included assisting at Open House; the P.T.A. picture project; announcing assemblies; patrolling the halls; buying and decorating the Christmas tree for the school; sponsoring a Christmas Variety Show; and conducting the VOYAGER campaign. During basketball season, Student Council acts as host to visiting teams and handles admission to games.

The outstanding social activity sponsored by Student Council was the annual "Hearts and Flowers" dance with the coronation of the king and queen. Other social activities included the "Get Acquainted" dance, two skating parties, and the last dance of the year.

Student Council purchased a stereo hi-fidelity system and a microphone for the school.
